Sonja:

You must have read my mind. Present counsel withdrew from the case TODAY so the trial will NOT go forward as scheduled. Hope you get to have a great vacation.

Jim

Hi Jim-

I just wanted to check in regarding the [REDACTED] case scheduled for trial on June 14, 2012. Has anything changed in the case? Do you think it is most likely going to trial, or end up a plea? I know it is still a five weeks away so you may not know anything new, but I'm trying to plan a vacation and there are only two weeks in the next two months where I only have one case scheduled, and yours happens to be one of them. Thanks.
